

## Product Information

# CHROMATOCEL® S-060

Silica gel (silicon dioxide)/chromatography grade

## CAS NUMBER

112926-00-8

## PRODUCT DESCRIPTION

A powdered silica gel (silicon dioxide) for use in chromatography, batch extractions and decolorizations.

### Typical Properties

Property	Unit	Value
Apparent Porosity		N/A
Bulk Density	kg/m <sup>3</sup>	500-600
Chemical Name		Silica Gel
Silicon Dioxide		
Loss on Drying	wt%	≤5
230x400 mesh		
pH Value		6.5-7.5
Pore Diameter, Average	nm	7
5-8 nm		
Pore Volume	ml/g	0.60-0.80
Surface Area	m <sup>2</sup> /g	450-600

The data represents typical values (no product specification)

## TYPICAL APPLICATIONS

Large scale liquid chromatography

Small molecule purification

API purification

Fine chemical purification

### Product Composition

Product Composition	Unit	Value
Chloride (Cl) Content	wt%	≤0.02
Iron (Fe) Content	wt%	≤0.02
Silicon Dioxide (SiO <sub>2</sub> ) Content	wt%	99.0-100.0

The data represents typical values (no product specification)

## BENEFITS & ADVANTAGES

Optimized particle size, surface area, pH, and purity make it a particularly useful material for the separation of small molecules, peptides, lipids and a variety of other compounds.

## PACKAGING

28 lbs (12.7 kg) bags

30 lbs (13.6 kg) drums

60 lbs (27.2 kg) drums

1,103 lbs (500 kg) bags

## STORAGE

Activated alumina should be protected from exposure to the atmosphere to minimize adsorption of water

vapor, which is highly deactivating for powdered aluminas like Chromatocel (liquid water is also highly deactivating).

## SHELF LIFE

3 years in original packaging stored in a dry, covered location

#### Disclaimer

This information and all further technical advice are based on our present knowledge and experience. However, it implies no liability or other legal responsibility on our part, including with regard to existing third-party intellectual property rights, especially patent rights. In particular, no warranty, whether express or implied, or guarantee of product properties in the legal sense is intended or implied. We reserve the right to make any changes according to technological progress or further developments. The customer is not released from the obligation to conduct careful inspection and testing of incoming goods. Performance of the product described herein should be verified by testing, which should be carried out only by qualified experts in the sole responsibility of a customer. Reference to trade names used by other companies is neither a recommendation, nor does it imply that similar products could not be used.
